Risk Management Summary

The purpose of this summary is to identify and demonstrate that our risk analysis and management schemes are adequately robust.

Adventure Activities Licence Details:

The holding of a Adventure Activities Licence means that we have been inspected by the Adventure Activities Licensing Authority (AALA) and our risk analysis and management systems were found to be in accordance with AALA regulations and guidelines. More information on the AALA can be found on the AALA website (www.aala.org.uk).

Mountain Activity Company
Reference No: **R1100**

Effective from: **01.08.05 – 01.08.07**
Licence No: **L4141**

Staff Competence and Qualifications:

All staff will either hold a relevant National Governing Body (NGB) qualification, or a statement of competence signed by an appropriately experienced and qualified person consistent with the requirements of AALA regulations, copies of which are available upon request.

Child Protection:

Our policy is consistent with current good practice in this area and meets statutory requirements. Criminal Records Bureau (CRB) checks are carried out on all staff responsible for delivery.

Risk Assessment:

Inspected as part of our Adventure Activities Licence.
